We¢ÃÂÂve rounded up must-have downloads to take along. Included are security tools to keep your PC private and malware-free. You¢ÃÂÂll also need an office suite for all those papers and spreadsheets, and maybe a writing helper to organize your thoughts. You can decorate your desktop with a pick-me-up wallpaper, or give your Windows 7 system a complete sci-fi makeover. Better yet, you can donate your PC¢ÃÂÂs idle time to make the world a better place. Like you, your computer has important work to do. Avast Free Antivirus This free antivirus software provides good, all-around malware detection in a speedy, well-designed package. We liked its easy installation process, smooth interface design, and minimal impact on system performance. Hotspot Shield The freebie Hotspot Shield promises to keep you safe when you connect to a hotspot at a cafÃ©Â, an airport, or some other public location. It claims to encrypt all of your data while you¢ÃÂÂre in a public location, protecting you from snoops. The program is simplicity itself: Just install it and run it. LibreOffice This brand-new spin on OpenOffice.org includes the Writer word processor, the Calc spreadsheet module, Impress for presentations, Draw for sketching and diagrams, the Base database front end, and Math, a simple equation editor. Much as with OpenOffice, the interface is familiar for anyone a microsoft office, but also easy to customize. Write this content generation tool uses a corkboard metaphor, showing your notes and ideas pinned to the board and allowing you to print "the draft," similar finals on them. integrates the cork board, an outliner and a text editor and includes the ability to display different text snippets as a continuous document. nitropdf reader now in version 2, this viewer/creator/editor pdf offers an interface that largely imitates microsoft office (2007 and now 2010). is considerably faster than the previous edition even when opening and saving pdf. nitro pdf is easily the fastest pdf viewer and the best free pdf editor in circulation. It is a must-download for anyone who takes care of pdf.Â This combination of web-based software and service allows you to acquire information from multiple sources, including web and email, as well as via a digital camera, scanner or microphone. so it allows you to organize your notes, annotate them, tag them and search. you can make them available not only on your pc, but also on the web and mobile devices. skype via skype you can make phone calls voip (voice over internet protocol) for free to anyone in the world who also oa skype on their pc and make cheap calls from your pc to fixers and cell phones worldwide. is also an instant messenger. good morning wallpaper your computer has difficulty starting in the morning? charge the background of the good morning and give it a shake of caffeine. (disclaimer: your pc may not be actually faster, but it will certainly look cooler). doctor who windows 7 the time travel show doctor who debuted on the bbc in 1963 and since then 11 actors have played different incarnations of the doctorpictures of all doctors present, with of his time machine, the TARDIS (inside and out), over the years. BOINC This screensaver takes idle cycles on your PC and uses them to perform processing for a variety of scientific projects. You¢ÃÂÂll be able to choose and switch among numerous projects, including efforts to control malaria, search for extraterrestrial life, and help with medical research. Folding@Home This free program helps scientists gain a better understanding of a wide range of illnesses, including Alzheimer¢ÃÂÂs, cystic fibrosis, Huntington¢ÃÂÂs, and Parkinson¢ÃÂÂs. Rather than invest in a huge supercomputer, Folding@Home harnesses the collective computing power of Windows, Mac, and Linux computers, as well as PlayStation 3 consoles. Each platform has a Folding@Home client. This is not a very exciting application: You can get it to display a cool-looking 3D molecule on your screen, and that¢ÃÂÂs about it. The excitement comes later, when medical advances fend off life-threatening diseases¢ÃÂÂand you know that you helped find the cure. cure.
